Who We Are

We manufacture supplements your markets can trust

Meditoz Healthcare, established in 2025, is a India-based manufacturer and exporter of nutraceuticals and dietary food supplements. We work with distributors, private label brands, and healthcare businesses across 36+ countries — helping them bring safe, certified, and effective products to their markets with confidence.

From our modern facility in India — just 130 km from Ahmedabad International Airport — we produce 200+ formulations across 9 dosage forms. Tablets, Capsules, Gummies, Liquids, Effervescent, Sachets, Drops and more — all under one roof, all under one quality standard.
